I-76 West to I-81 South to Chambersburg (Route #30 Lincoln Way East & West) make a right turn at traffic signal and proceed to 3rd Street intersection and make a left, Eugene C. Clarke Community Center 2 blocks on the right.

From WV & VA & points south: Take I-81 North to Chambersburg exit #16 (Route #30 Lincoln Way East & West) make a left turn at traffic signal and proceed to 3rd Street intersection and make a left Eugene C. Clarke Community Center 2 blocks on the right.

SPARRING RULES

LENGTH OF MATCH: Two minute running time unless five points are scored before time has expired. If a match is tied at the end of two minutes, sudden victory (first person to score a point) overtime period will determine the match.

POINT VALUES AND WINNER DETERMINATION: All legal hand techniques that score will be awarded one (1) point. All legal kicking techniques that score will be awarded two (2) points. All penalty points awarded will be awarded one (1) point. The competitor who earns five (5) points by the end of the two minutes or whoever is ahead at the end of the two minutes is declared the winner. All grand championship matches are two minute running time and total points.

MARJORITY VOTE: Points are awarded by a majority vote of all judges. The majority of judges do have to agree on the same technique being scored. A majority of the judges calling the point must call a two (2)-point kick or 1 point for a punch before any points can be awarded. Otherwise no point is awarded.

FORM DIVISION

TIME LIMIT: Each form or weapons routine must be three (3) minutes or less. The time starts once the competitor enters the competition ring. Four (4) minutes is allowed for each form or weapons routine in the Night Time Finals. Each team form and/or demo routine must be four (4) minutes or less. Any competitor, team form or team demo that goes over the allowed time limit is automatically disqualified.

SCORING RANGES OF FORM AND WEAPONS: Karate World will have these scoring ranges with the decimals of 0.10 to 0.99 for all age groups. The scoring range will be:

Beginner 6.10 to 7.99

Intermediate 7.10 to 8.99

Advance 8.10 to 10.00

Black belt Adult 8.10 to 10.00

We are grading beginner belts against beginner belts and black belt against black belts, etc. These scoring ranges simplify form and weapon scoring.

CONTINUOUS CONTACT RULES Continuous contact is a more physical aspect of point karate in which more contact is allowed but governed by very stringent rules that are designed to keep control of the match. **Competitors are instructed that for every three punches they must kick.** This was devised to keep the matches from becoming a boxing match. **Competitors who violate the three, punch kick rule are penalized on the judges cards and risk disqualification.** **LENGTH OF MATCH:** **Blackbelt Adults** will have **Two 1 minute Rounds** running time. **Underbelt Youth and Adults** will have **Two 30 second Rounds** running time. If a match is tied at the end of two rounds, the center referee will determine the match or order another round to determine the winner.

Matches are scored on a 10 point must system in which the competitor controlling the match will receive 10 points and other 9 points.
